GROUP RATE ACTIVITIES (One Block) <i>Pricing listed per 50-minute session / Maximum 10 participants per group</i>	GROUP PRICE Per Session
<p>Dock Fishing - Ages: 6+ / Maximum 2 groups Join us on our dock to try your hand at fishing! Learn about the basics of fishing and the different types of fish in Newport Harbor. Also experience our marine science touch tray with live plants and animals straight from our bay and utilize our underwater cameras to help find fish and try to spot more species along the docks. Fishing poles will be available, but for younger youth the wooden drop lines may be more appropriate. All bait and tackle provided. An excellent intro to fishing experience!</p>	\$200.00
<p>Harbor Cruise - Ages: 6+ / Maximum 4 groups Hop aboard one of Sea Base's big boats and cruise the harbor with our Captain for a fun and activity-based adventure that includes birding with binoculars and looking for sea lions. Enjoy a scenic cruise with a splash of education and exploration!</p>	\$200.00
<p>Mariners Skills Workshop - Ages 9+ / Maximum 2 groups Practice several types of useful mariner knots and go on a scavenger hunt touring NSB in search of fun and interesting maritime items and equipment. Learn knots such as the cleat hitch, clove hitch, figure 8, and square knot and utilize them around the docks at NSB to help keep our boats safe and secure. Practice valuable skills with real life applications at the Sea Base!</p>	\$165.00
<p>Mini Sailboat Design & Regatta - Ages: 5+ / Maximum 4 groups Go mini sailboat, go! Design, test, and race in our 10 ft. inflatable Raceway. Make notes of performance and speed as participants first learn about the basic design of a sailboat. After observing trial boats and their speed, participants will design, measure, cut out, and color their own sails for their boat. Compete in a tournament style competition! Sails can be kept; however, the performance sailboat hulls must stay unless you bring your own boat kit to design and race.</p>	\$165.00
<p>Plankton Microscope & Dock Lab Life - Ages: 6+ / Maximum 3 groups Get hands on with microscopes, plankton nets, and dock life touch trays containing sea squirts, mussels, and many other types of plant and animal species. Depending on the season, you may be able to handle shore crabs and de-barbed stingrays. Students learn about the importance of plankton for humans and the aquatic food web.</p>	\$165.00
<p>Shark OR Squid Dissection (Choose one) - Ages: 8+ / Maximum 4 groups Calling all junior marine scientists! Dissect and learn about the anatomy of a shark or squid. Participants receive a workbook and utilize scientific tools such as scalpels and dissection scissors.</p>	\$165.00
