The Orange County Council is committed to ensuring that every youth has the opportunity to join Scouting, regardless of financial need.

Scholarship applications must be filled out completely and submitted each charter period, as scholarships do not roll over from year to year.

Information provided is only used to determine eligibility for registration or uniform assistance. If a scholarship is awarded for registration fees, the District Executive will notify your unit; for recharter, the unit will deduct the approved amount from renewal.

If the form is submitted with a new application, the full fee should be paid upfront, and once the scholarship is approved, a refund will be issued for the difference.
